Waiting

*SERENE, I fold my hands and wait,
Nor care for wind, nor tide, nor sea;
I rave no more 'gainst time or fate,
For lo! my own shall come to me.*

...

*ASLEEP, awake, by night or day,
The friends I seek are seeking me;
No wind can drive my bark astray,
Nor change the tide of destiny.*

— An excerpt from *Waiting*, by John Burroughs

He joined the downtown Missouri Athletic Club, continuing a tradition begun by his grandfather and father. He enjoyed visiting the mountains of Colorado and the mesas of New Mexico.

We offer our condolences to Mr. Johnson's wife, Lynne; his two children, **CATHY JOHNSON STAHR** '87 and **DOUGLAS JOHNSON** '90; his brothers, **STUART JOHNSON** '60 and

DOUGLAS JOHNSON '67; and his three grandchildren.

WILLIAM M. VIBERT (History, Athletics)

died June 10, 2022, just four days shy of his 93rd birthday.

Mr. Vibert studied history at Trinity College in Hartford, Connecticut, and was a proud member of the school's

undefeated 1949 football team. He also earned a master's degree in modern European history from the University of Iowa.

From September 1955 until June 1969, Mr. Vibert taught history at Burroughs, eventually heading the department.

He coached football and baseball, and particularly enjoyed canoeing at Drey Land and chaperoning ski trips to Aspen.

In 1969, he and his family returned to his native Connecticut, where he took a teaching position at the newly opened Westledge School; in 1972, he became director of the school.

Mr. Vibert later embarked on a second career as a realtor and was an active member of the Granby, Connecticut, community, serving on the local board of education and board of selectmen.

We offer our condolences to Mr. Vibert's wife, Patricia; his three children, **MARK VIBERT** '72, **CARRIE VIBERT** '73 and Todd Vibert; his five grandchildren and great-grandchildren; and his numerous nieces, nephews and friends.

Join the John Burroughs Society

Alumni, parents, grandparents, and friends who include Burroughs in their wills, trusts, or other estate planning programs are members of the John Burroughs Society.

Since its founding, the John Burroughs Society has grown to more than 200 members who have made a lasting impact, giving \$14.2 million to the school. Those who have included JBS in their estate planning tell us they do it because of what the school means to them and their families. Whether it's a memory of a teacher who changed the way they think about the world, a coach who taught them the value of teamwork and leadership, or a classmate they'll never forget — they want to give back.

MEMBERSHIP

We invite you to become a member of the John Burroughs Society. Lifetime membership is extended to individuals who make one or more of the following commitments to the school:

- Include Burroughs in their estate plans
- Create a charitable life-income arrangement to benefit the school
- Name JBS as a beneficiary of retirement assets or life insurance
- Donate a personal residence or vacation home to Burroughs and reserve a life estate

There is no minimum gift amount required for membership in the John Burroughs Society.

To join, contact Amy Greenwood Dunaway '92 at (314) 993/4045, ext. 315 or adunaway@jburroughs.org, or Ginger Imster at (314) 993/4045, ext. 256 or gimster@jburroughs.org. For more information, visit www.jburroughs.org/giving.
